

Curriculum vitae
Dinorah (Dina) Martinez Tyson, PhD, MPH, MA

GENERAL INFORMATION

Title: Assistant Professor
University of South Florida
College of Public Health
Department of Community and Family Health

Address: 13201 Bruce B. Downs Blvd. MDC 56
Tampa, Florida 33612-3805

Telephone: 813-728-5895

E-mail: dmarti20@health.usf.edu

EDUCATION

- 2008 **Ph.D.** Department of Anthropology, University of South Florida, Tampa, FL
Dissertation: The Social Context of Stress and Social Support among Latina Immigrants Diagnosed with Breast Cancer
- 2003 **M.P. H.** Department of Epidemiology and Biostatistics, University of South Florida, Tampa, FL
Thesis: Looking Under the Hispanic Umbrella: Cancer Mortality Differentials among Cubans, Mexicans and Puerto Ricans in Florida 1990-2000
- 1998 **M.A.** Department of Anthropology, Northern Arizona University, Flagstaff, AR
Thesis: The Relevance of Anthropology in Oral Health: Pediatric Dental Health Promotion in the Dominican Republic
- 1993 **B.A.** Department of Anthropology, Florida Atlantic University, Boca Raton, FL

PROFESSIONAL EXPERIENCE

- 2013-present **Assistant Professor (Tenure-Earning Pathway)**
University of South Florida, College of Public Health, Department of Community and Family Health, Tampa, FL
Affiliate Joint Appointment
College of Art and Science, Department of Anthropology, University of South Florida, Tampa, FL

03/25/16

- 2011-2013 **Research Assistant Professor**
University of South Florida, College of Behavioral and
CommunitySciences, Louis de la Parte Florida Mental Health Institute,
Department of Child and Family Studies, Tampa, FL
Joint Appointment
College of Public Health, Department of Community and Family
Health,University of South Florida, Tampa, FL
- 2008-2011 **Research Assistant Professor**
University of South Florida, College of Behavioral and
CommunitySciences, Louis de la Parte Florida Mental Health Institute,
Departmentof Aging and Mental Health Disparities, Tampa, FL
- 2001-2008 **Research Coordinator**
H. Lee Moffitt Cancer Center and Research Institute, Tampa, FL
- 1999-2001 **Project Coordinator**
University of South Florida, Department of Anthropology, Tampa, FL
- 1999-2001 **Research Assistant**
University of South Florida, Department of Anthropology, Tampa, FL
- 1998-1999 **Grants Outreach Coordinator**
Coconino County Health Department School Based Clinic, Flagstaff, AZ
- 1998-1999 **Nutritional Counselor**
Coconino County Health Department WIC Program, Flagstaff, AZ
- 1996-1998 **Research Assistant**
Northern Arizona University, Anthropology Department, Flagstaff
Multicultural AIDS Prevention, Flagstaff, AZ

AFFILIATIONS

- 2014-Present **Faculty Member**, Florida Prevention Research Center, University of South
Florida, College of Public Health
- 2009-Present **Moffitt Member**, Moffitt Cancer Center and Research Institute, Health
Outcomes and Behavior
- 2009-Present **Member**, Tampa Bay Community Cancer Network (TBCCN)

RESEARCH INTERESTS

My research interest center on Latino's health and gaining a better understanding of the sociocultural context of chronic disease and cancer, cross-cultural concepts of disease and illness and finding the best ways to bring evidence-based interventions and support programs to community-based settings and Latino populations who share a disproportionate burden of disease morbidity. Methodologically, I specialize in ethnography and qualitative methods, mixed methods and community based participatory research/community engaged research.

GRANTS AND RESEARCH EXPERIENCE

Active/Ongoing Funded Research

2015 Unnumbered
USF College of Public Health Interdisciplinary Team Award \$63,788

PI: Dinorah Martinez Tyson

Psychometric Analysis of a Culturally Adapted Supportive Care Needs Measure for Latina Cancer Survivors

Goal: To 1) pilot test and provide preliminary evidence of validity and reliability of the translated and culturally-adapted CaSUN measure for Hispanic Female Cancer Survivors, and 2) work with community partners to disseminate study results and identify evidence-based interventions.

Role: PI

2014-2015NCE Unnumbered
USF College of Public Health Interdisciplinary Team Award \$100,000

PIs: Dinorah Martinez Tyson 2015, Julie A. Baldwin – 2014-2015

The Syndemic Nature of HIV/AIDS Among Indigenous Populations in Latin America: Risk and Resilience

Goal: To 1) build and strengthen community partnerships with indigenous communities in 3 sites (Ecuador: Quechua in the Pichincha Province; Belize: Mayan in the Toledo district; Panama: the Ngäbe-Buglé Comarca), 2) collaborate as an interdisciplinary research team to develop/adapt community assessment tools that can be used across indigenous communities taking into consideration cultural, literacy, and linguistic factors for each group, 3) train USF faculty, students, in-country collaborators, and community members in using iRARE to conduct an assessment to explore the needs, priorities, and resources of the community in addressing HIV/AIDS and related health issues, and 4) collect data, analyze results and plan for future programs/studies.

Role: Co-PI

2014-2019 GRANT11489105
CDC \$3,134,580

PI: Carol Bryant

Community Based Prevention Marketing for Systems Change: Reducing Disparities

Goal: To use community-based prevention marketing (CBPM) to adapt, implement, evaluate, and disseminate evidence-based approaches to strengthen state and local health departments' and

03/25/16

community coalitions' capacity for sustained colorectal cancer prevention and health promotion. The FPRC core research will focus on colorectal cancer screening.

Role: Co-Investigator/Co-PI of the research core

2013-2016 NCE 4BB09
Bankhead-Coley Cancer Research Program \$399,986

PI: Clement K. Gwede

Latinos CARES (Colorectal Cancer Awareness, Research and Screening) Project

Goal: To culturally adapt (transcreate) a colorectal cancer screening intervention into Spanish, and to conduct a pilot randomized controlled trial (RCT) of the produced intervention for feasibility and impact among medically underserved Latino patients attending federally qualified health centers/clinics.

Role: Co-Investigator, Qualitative lead

2012-2017 1R25DA031103-01A1
National Institute on Drug Abuse (NIDA) \$1,712,994

PI: Julie Baldwin

Institute for Translational Research Education (ITRE) in Adolescent Drug Abuse

Goal: To develop, cultivate and disseminate an innovative model of research education that addresses best practices for translational research in the field of child and adolescent behavioral health, as it relates to substance abuse and co-occurring disorders.

Role: Academic Mentor

2012-2016 NCE RSG-12-087-01-CPPB
American Cancer Society \$964,031

PI: Paul Jacobsen

Stress Management Training for Latinas Receiving Chemotherapy

Goal: To evaluate the efficacy of "Cómo tratar el estrés" durante la quimioterapia in a randomized controlled trial involving Spanish-speaking Latina women who are about to begin chemotherapy for cancer.

Role: Co-Investigator

Active/ Ongoing Unfunded Research

2015-2016

PI: Dinorah Martinez Tyson

Cancer Mortality Among Hispanic Subgroups in the United States from 2000-2013

Goal: To examine cancer mortality differentials among Latino subgroups in the United States and compare mortality rates of Hispanic subgroups to non-Hispanic Whites.

Role: PI

Completed Funded Research

2012-2015 1R03CA168403-01
National Cancer Institute \$149,000

PI: Dinorah Martinez Tyson

03/25/16

Cultural Adaptation of a Supportive Care Needs Measure for Latino Cancer Survivors

Goal: To use an exploratory sequential mixed method study design, which employed a series of iterative and group consensus-building approaches, to translate and culturally adapt the previously validated CaSUN measure into Spanish, for Latino male cancer survivors.

Role: PI

2012-2013

Unnumbered

USF New Researcher Grant Internal Award

\$19,547

PI: Dinorah Martinez Tyson

Exploring the Cultural Beliefs about Type 2 Diabetes Management and Financial Barriers to Diabetes Care Among Latino Farm workers

Goal: To set the stage for a series of studies that will be designed to expand on our knowledge of how culture affects self-management of diabetes among Latinos, the fastest growing minority group in the United States, focusing on farmworkers who carry a disproportionate burden of disease and encounter numerous challenges in accessing health care.

Role: PI

2010-2015

R01MH087232

National Institute of Mental Health

\$1,633,838 TDC

PI: Celia Lescano

Project Latino Style (A Randomized Controlled Trial of Family-Based HIV Prevention for Latino Youth)

Goal: To examine the efficacy of a family-based, culturally sensitive HIV prevention program for Latino youth and parents compared to a family-based general health promotion program.

Role: Co-Investigator/Quality Assurance Supervisor

2011-2012

Unnumbered

College of Behavioral and Community Sciences Internal Grant

\$7,500 direct

PI: Dinorah Martinez Tyson

Taking Control of Your Health: A Family Centered Approach to Chronic Disease Self Management

Goal: The proposed pilot study builds on a CDC funded study. This project incorporates a new element, a focus on the family and the use of a patient-family member dyad. Support for this proposal will provide the unique opportunity to augment Tomando by allowing a cost effective mechanism for refining the current model and expand on our knowledge of family centered approaches to CDSMP.

Role: PI

2011-2012

Unnumbered

Center for Equal Health Career Catalyst Award Internal Grant

\$10,000 direc

PI: Dinorah Martinez Tyson

Psychosocial Needs of Latino Prostate Cancer Survivors: A Pilot Study

Goal: To gain a better understanding of the survivorship experience of Latino prostate cancer survivors and identify salient psychosocial health needs of Latino prostate survivors and their spouses.

03/25/16

Role: PI

2008-2012 NCE
CDC

R18MN000004
\$427,229

PIs: Junius Gonzales and Jaime Corvin

Chronic Illness & Minor Depression: Community and CDSMP

Goal: To identify key stakeholder perspectives on multidimensional barriers and facilitators to the adoption of CDSMP into community settings, employ mixed methods to adapt CDSMP to best address those priority needs, and test the feasibility of implementing the adapted CDSMP using a lagged intervention design with outcome measurements over months to estimate intervention parameters in preparation for a future large scale cross-county implementation study.

Role: Co-Investigator/Community Team Leader

2011-2012

Veterans Reintegration Grant-USF Internal Award

\$40,000 direct

PIs: Lawrence Braue and Karen Besterman-Dahan

Elements of a Veteran Friendly Campus: Perceptions by Student Veterans, Faculty and Staff

Goal: To clarifying the elements of a 'Vet friendly' campus uses a cross-sectional, convergent mixed method approach which includes surveys and in-depth interviews. This is a 1 year pilot study.

Role: Co-investigator, Qualitaive lead

2009-2011

ARRA Administrative Supplement, NCI

3U01CA114627-05S2
\$332,245

PI: Cathy Meade

Patient Navigators for the Cancer Care Continuum

Goal: To add a patient navigation component within Catholic Mobile Medical Services to fill the gaps in cervical cancer outreach to primarily a Hispanic population as identified by the TBCCN community partner needs assessment.

Role:Qualitative Methods Consultant

2009-2010

College of Behavioral and Community Sciences Internal Grant

Unnumbered
\$7,500 direct

PI: Dinorah Martinez Tyson

Exploring Cultural Models of Depression among Latino Immigrants: A Cross-Cultural Approach to the Study of Depression

Goal: To explore cultural models of depression among foreign-born Mexican, foreign-born Cuban, island-born Puerto Rican, and foreign-born Colombian Latinos residing in West Central Florida and to examine perceptions of mental health care services. The information gained will be used to inform the adaptation of evidence-based mental health interventions for Latinos.

Role: PI

2008-2009

USF Collaborative on Children, Families and Communities

Unnumbered
\$12,500 direct

PI: Heide Castaneda

03/25/16

Oral Health Literacy and Access to Dental Care for Migrant Families in the Greater Tampa Bay Region

Goal: To offer a qualitative, ethnographic look at oral health issues in Latino migrant families and contributed to a preliminary needs assessment.

Role: Co-PI

2008-2010

1R03 CA138123-01

NCI

\$104,000 direct

PI: John Luque

Cervical Cancer Beliefs in Ethnic Subgroups of Latina Immigrants

Goal: To conduct a cross-cultural examination of Hispanic beliefs toward cervical cancer and HPV in order to develop curriculum modules designed to be used by a promotora de salud (lay health adviser) intervention program.

Role: Co-Investigator

2005-2010

U01 CA11462702

NCI

\$343,000 direct

PI: Cathy D. Meade

Tampa Bay Community Cancer Network: A Model for Reducing Health Disparities

Goal: To create a solid, robust and sustainable core organizational network infrastructure through collaborations, partnerships and community-capacity building activities.

Role: Co-Investigator/Co-Evaluator

2006-2009

R21 CA106775

NCI

\$142,500 direct/year

PI: Cathy Meade

Project REACH: Relevant Education and Communications for Hispanics

Goal: To develop a relevant questionnaire for assessing cancer information needs among Puerto Ricans residing in Hillsborough County, Florida and San Juan, Puerto Rico. This was a two-year exploratory project along with University of Puerto Rico

Role: Co-Investigator/Project Coordinator

2006-2009

POP0601312

Susan G. Komen Breast Cancer Foundation

\$182,421

PI: Cathy Meade

Stress Management Tool Kit for Latinas Coping with Chemotherapy

Goal: To adapt and evaluate a patient self-administered stress-management training intervention for Hispanic/Latina breast cancer patients.

Role: Co-Investigator/Project Coordinator

2005-2006

Community Grant

Susan G. Komen Breast Cancer Foundation Suncoast Affiliate

\$20,000

PI: Dinorah Martinez

Campamento Alegria

Goal: To empower Latina cancer survivors and offer them a positive and memorable experience through a variety of culturally and linguistically relevant educational and social activities.

03/25/16

Role: PI

2001-2005 R25 CA90654
NIH, NCI \$245,200

PI: Cathy D. Meade

Cancer, Culture and Literacy Institute

Goal: To create a series of experiential and educational enhancement activities that examine the nexus of culture and literacy as they relate to effective cancer communications.

Role: Project Coordinator/Co-Evaluator

2001-2005 P20 CA91352
NIH, NCI \$125,000

PI: Jack Pledger

Moffitt Cancer Center-Puerto Rico Cancer Partnership

Goal: To develop a partnership between the H. Moffitt Cancer Center and the Puerto Rico Cancer Center to enhance translational research, cancer education and outreach programs and training efforts. Sub Project: Education and Outreach.

Role: Co-Investigator

2001-2003 Unnumbered
Allegheny Franciscan Foundation, Children's Board \$86,000
and the USF Areas Health Education Center.

PIs: David Himmelgreen and David Stordahl

Project New Life, Good Health

Goal: To provide nutrition education seminars and a church-based farmer's market that offered low cost fruits and vegetables and served as a venue for nutrition education, social service providers, social services and some health screenings.

Role: Project Coordinator/Community Liaison

2000 Unnumbered
Children's Board of Hillsborough County \$20,000

PI: David Himmelgreen

Project PAN (Promoting Adequate Nutrition)

Goal: To develop a culturally tailored nutrition education program that offered interactive seminars for promoting health and disease prevention through healthy eating to low-income Hispanic families. As part of PAN, we provided information about local health and social services, food assistance, as well as referrals.

Role: Project Coordinator/Community Liaison

2000 Unnumbered
ISLAC USF Internal Award \$600

PI: David Himmelgreen and Dina Martinez Tyson

Acculturation and Life Style Changes as Factors in Obesity Among Latino Adults

Latin American and Caribbean Studies Program, University of South Florida

Role: Co-PI

1999-2000 Unnumbered

03/25/16

University of South Florida Collaborative for Children, Families and Communities \$10,000

PI: David Himmelgreen

Acculturation and Nutrition Needs Assessment of Tampa, FL

Goal: To conduct a needs assessment on the nutritional situation of low-income Latino Children (1-12 years) and their families residing in and around Tampa.

Role: Assistant Project Coordinator

1999 Unnumbered
Norther Arizona University Internal Award \$10,000

PI: Ellen Grabereck

Cultural Factors of Dental Disease in Young Children. Flagstaff, Arizona

Goal: To help dental professionals gain a greater understanding of parent's and caregiver's perception of dental health, dental disease and prevention. Report presented to the office of Oral Health in the Arizona Department of Health Services.

Role: Co-PI/Ethnographer

1995-1998 RO1 #DA09965
NIDA \$964,973

PI: Robert Trotter II

Flagstaff Multicultural AIDS Prevention Project, Flagstaff, AZ

Small Town IDU Networks and HIV: Transmission Dynamics

Role: Research Assistant/Ethnographer/Health Educator

OTHER COLLABORATIONS AND RESEARCH EXPERIENCE

1998-2012 P30CA76292
NIH, NCI \$71,600

PI: William S. Dalton

Project LINK: (Leaders in New Knowledge)

Goal: To establish cancer research experiences in basic, biomedical, clinical and population sciences for promising high school and undergraduate students representing underserved (minority and underrepresented) populations.

Role: Mentor/Student Supervisor

2005-2010 1U01 CA117281-01
NIH/NCI \$428,000direct/year

PI: Richard Roetzheim

Patient Navigation Program

Goal: To develop a culturally appropriate patient navigation program and through a group-randomized design to evaluate the effectiveness of the program in terms of timeliness to diagnosis, appropriateness of care, satisfaction quality of life and cost effectiveness.

Role: Qualitative lead

Completed Unfunded Research

03/25/16

2006-2007 Unnumbered
Moffitt Cancer Center, Department of Cancer Education
PI: Dinorah Martinez Tyson
Retrospective Chart Review Study: Cervical Cancer Screening Among Rural Latinas
Role: PI/Project Coordinator

2002-2003 Unnumbered
Hispanic Perceptions of Research, Moffitt Cancer Center
Department of Cancer Education
Role: Co-Investigator

1998 Unnumbered
PI: Robert Trotter
World Health Organization, Mental Health Division, Revision of ICDH (International Classification of Impairments, Disabilities and Handicaps).
Collaborating Center for Research and Training in Mental Health. Santander, Spain. Ethnographic data collection and analysis training.
Role: Technical Advisor

Unfunded Research Proposals

2015-2017 1 R21 CA194519-01A1
NIH NCI 275,000
MPI: Dinroah Martinez Tyson/ Joanne Sandberg
Women at work: Multi-ethnic comparison of cancer survivors with low-status jobs
Goal: To examine work-related experiences and quality of life following the diagnosis and treatment of cancer among Latina, African American, & European American women who were employed at the time of diagnosis. The project builds on the tenets of community-based participatory research and stems from a strong partnership between research team members and two community-based organizations.
Role: PI
Impact Score: 27, 11th percentile.

MPI: Dinroah Martinez Tyson/ Joanne Sandberg
Women at work: Multi-ethnic comparison of cancer survivors with low-status jobs
Goal: To examine work-related experiences and quality of life following the diagnosis and treatment of cancer among Latina, African American, & European American women who were employed at the time of diagnosis. The project builds on the tenets of community-based participatory research and stems from a strong partnership between research team members and two community-based organizations.
Role: PI
Impact Score: 32, 25th percentile.

HONORS AND AWARDS

- 2013 Society for Applied Anthropology, Fellow, National Institutes of Health Health Disparities Loan Repayment Program Award, 2012-2014
- 2010 Hispanic Pathways Award, University of South Florida
- 2007 Michael V. Angrosino Research Achievement Award in the area of Applied Anthropology, University of South Florida, Department of Anthropology (\$500)
- 2007 Linda M. Whiteford Research Achievement Award in the areas of Health and Medical Anthropology, University of South Florida, Department of Anthropology (\$250)
- 2007 Hispanic Heritage Award, University of South Florida
- 2007 Institute for the Study of Latin America and the Caribbean Research Award, University of South Florida (\$650)
- 2005 Volunteer of the Year Award, Latinas Unidas por Un Nuevo Amanecer, LUNA
- 2003 Student Honorary Award for Research and Practice, University of South Florida, College of Public Health (\$500)
- 2002 Student Honorary Award for Research and Practice, University of South Florida, College of Public Health (\$500)
- 2001-2002 Latino Graduate Fellowship, University of South Florida (\$7,000)
- 2000-2001 Latino Graduate Fellowship, University of South Florida (\$7,000)
- 2000-2001 Hispanic Scholarship Fund Award, Hispanic Scholarship Fund (\$2,000)
- 1999-2000 Latino Graduate Fellowship, University of South Florida (\$7,000)
- 1999-2000 Tuition Waiver and Stipend Scholarship (Research Assistantship), University of South Florida
- 1999-2000 Latin American and Caribbean Studies Research Grant, University of South Florida (\$500)
- 1998 Graduated MA with Distinction
- 1997-1998 Tuition Waiver and Stipend Scholarship (Graduate Assistantship), Northern Arizona University

03/25/16

- 1997-1998 Student Travel Award (juried grant travel to professional meetings), Northern Arizona University
- 1996-1997 Tuition Waiver and Stipend Scholarship (Graduate Assistantship), Northern Arizona University

TRAINING AWARDS/ FELLOWSHIPS

- 2015-2016 **College of Public Health Faculty Professional Development.**
- 2010-2013 **Community Based Participatory Research Trainee.** Tampa Bay Community Cancer Network (1 U54 CA153509-01 Meade/ Gwede, Co-PIs)
- 2009-2010 **Research Training Program.** USF/Moffitt Transdisciplinary Center to Address Cancer Health Disparities NIH-NIMHD Center of Excellence (P20MD003375 Roetzheim/Green Co-PIs)

Martínez, D. Cuba today: Perceptions of contemporary Cuba. Roundtable discussion at the Northern Arizona University. March 19, 1997

Martínez, D. The inherent and unavoidable biases migrant children encounter in the education system. Oral presentation at the IV Seminario científico Acerca De La Calidad De La

Educación: Intercambio De Experiencias De Profesionales Cubanos y Norte Americanos. Asociación de Pedagogos de Cuba. Manzanillo, Cuba. January 20-24, 1997

Works Exhibited/Disseminated through the Print/Electronic Media

- 2016 Gwede, C., Meade, C. D, **Martinez Tyson, D.**, & Aguado Loi. Un examen sencillo para un colon saludable. (A simple exam for a healthy colon) Rumbo Multicultural Communications, Tampa, FL.
Description: A series of materials/media developed as part of a toolkit transcreated for Latinos to promote colorectal cancer screening and use of the fit kit. Developed as part of Blackhead Coley grant study (4BB09).
(1) booklet; (1) DVD
Dissemination: Current dissemination within context of research study.
Role in project: Co-Investigator, qualitative lead.
- 2015 Tampa Bay Community Cancer Network (TBCCN) Informational Video:
<https://www.youtube.com/watch?v=llbb5Kd5U3k&feature=youtu.be>
- 2008 Meade, C. D, **Martinez Tyson, D.**, & Jacobsen, P. Coping with chemotherapy for Latinas. (Cómo tratar el estrés durante la quimioterapia.) Rumbo Multicultural Communications, Tampa, FL.
Description: A series of materials/media developed as part of a toolkit transcreated for Latinas with breast cancer undergoing chemotherapy. Developed as part of Susan G. Komen for the cure study (POP0601312).
(1) booklet; (1) DVD; (1) audiotape
Dissemination: Current dissemination within context of research study.
Role in project: Producer/Project Coordinator

TEACHING INTERESTS

Social and Behavioral Sciences Applied to Health, Qualitative Methods in Community Health Research, Advanced Qualitative Methods, Focus Group Research Strategies, Ethnographic Methods, Community Partnerships and Advocacy, Populations and Community Health, Research Foundations in Public Health, Professional Foundations, Community-Based Health Promotion, Applied Research Methods in Community and Family Health, and Advanced Seminar in Grant Writing, Latino and Immigrant Health, Mixed Methods, Questionnaire and Survey Development, Men's Health, Cross-cultural Health, Translational Research: Cultural Adaptation and Evidence-Based Interventions.

TEACHING AND EDUCATIONAL ACTIVITIES

Courses Taught as Primary Instructor

PHC 6725 Focus Group Research Strategies, Spring 2016, three credit hours.

03/25/16

Class size: 15 students

PHC 6193 Qualitative Methods in Community Health Research, Fall 2015, three credit hours.

Class size: 10 Students.

PHC 6410 Social and Behavioral Sciences Applied to Health, Summer 2015, three credit hours. Class size: 89 Students.

PHC 6945 Supervised Field Experience, Summer 2015, three credit hours. Class size: 4 Students.

PHC 6977 Special Project: MPH, Summer 2014, three credit hours. Class size: 3 Students.

PHC 6410 Social and Behavioral Sciences Applied to Health, Spring 2014, three credit hours. Class size: 43 students.

PHC 6193 Qualitative Methods in Community Health Research, Fall 2013, three credit hours. Class size: 19 Students.

PHC 6193 Qualitative Methods in Community Health Research, Summer 2013, three credit hours. Class size: 91 Students.

PHC 6410 Social and Behavioral Sciences Applied to Health, Spring 2013, three credit hours. Class size: 25 students.

PHC 6945 Supervised Field Experience, Spring 2013, three credit hours. Class size: 4 Students.

PHC 6410 Social and Behavioral Sciences Applied to Health, Summer 2012, three credit hours. Online Format. Class size: 68 Students

PHC 6410 Social and Behavioral Sciences Applied to Health, Spring 2012, three credit hours. Class size: 18 students.

PHC 6193 Qualitative Methods in Community Health Research, Fall 2011, three credit hours. Class size: 20 Students

PHC 6410 Social and Behavioral Sciences Applied to Health, Summer 2011, three credit hours. Online Format. Class size: 78 Students

PHC 6410 Social and Behavioral Sciences Applied to Health, Spring 2011, three credit hours. Class size: 25 students

ANT 301 Peoples of the World, Northern Arizona University, Spring 1999, three credit hours. Class size: 99 students

03/25/16

Courses Taught as Co-Instructor/Team Taught

College of Public Health

PHC 6080 Transforming MPH-Population and Assessment 1, Fall 2014, five credit hours.

Class size: 38 students

PHC 6193 Qualitative Methods in Community Health Research, Fall 2014, three credit hours.

Class size: 14 Students. With Dr. Claudia Aguado Loi

PHC 7198, Advanced Qualitative Methods in Community Health Research, Spring 2012, three credit hours. Class size: 8 students. With Dr. Stephanie Marhefka

Invited Lectures in USF Courses

College of Public Health

Paradigms and Worldviews, Advanced Qualitative Methods in Community Health Research, PHC 7198, Tampa FL. January 20, 2016

Social Determinants of Health in Maternal and Child Health, Issues and Concepts in Maternal and Child Health, PHC 6530, Department of Community and Family Health, Tampa, FL. January 25, 2016

Qualitative Methods Overview, Evaluation & Research Methods in Community Health, PHC 6708, Department of Community and Family Health, Tampa, FL. November 17, 2015

Ethnography and Evaluation, Contemporary Applied Anthropology, ANT 6701, Tampa FL October 9, 2015

Health Disparities, Transforming MPH-Population and Assessment 1, PHC 6080, Tampa, FL. September 28, 2015

Latino Health Disparities, Social Determinants of Health Disparities, PHC 6412, Department of Community and Family Health, Tampa, FL. September 28, 2015

Social Determinants of Health in Maternal and Child Health, Issues and Concepts in Maternal and Child Health, PHC 6530, Department of Community and Family Health, Tampa, FL. September 14, 2015

Anthropological Perspectives on Cultural Competency, Cultural Competency in Public Health Practice, PHC 6462, Department of Community and Family Health, FL. June 16, 2015

Cultural Adaptation and Anthropological Frameworks, Theoretical Applications to Public Health Issues, PHC 7405, Department of Community and Family Health, FL. April 1, 2015

03/25/16

Social Determinants of Maternal and Child Health, Issues and Concepts in Maternal and Child Health, PHC 6530, Department of Community and Family Health, Tampa, FL. September 17, 2014

Political Economy of Health: Focusing on the Critical, Theory and Behavioral Basis for Health Education, PHC 6500. April 11, 2014

Social and Behavioral Foundations of Applied To Health, Foundations of Public Health Course, PHC 6934, Tampa, FL. March 4, 2014

Social Determinants of Maternal and Child Health, Issues and Concepts in Maternal and Child Health, PHC 6530, Department of Community and Family Health, Tampa, FL. January 22, 2014

Social and Behavioral Foundations Applied to Health, Public Health Practice Seminar, PHC 6930, Tampa FL. November 11, 2013

NIH Loan Repayment Programs, Professional Foundations, PHC 7935, Tampa FL. July 16, 2013

The Job Talk and Applying for Academic Positions, Professional Foundations, PHC 7935, Tampa FL. May 28, 2013

Anthropological Frameworks Applied to Public Health, Theoretical Applications of Public Health Issues, PHC 7405, Tampa FL. April 10, 2013

Social and Behavioral Sciences Applied To Health, Public Health Capstone Course, PHC 6936, Tampa, FL. June 18, 2013

Leadership in Organizing Colloquia, Continuing Educational Activities/ other Programs

2002-2010 Cancer, Culture and Literacy Biennial Conferences

Cancer, Culture and Literacy: Seventh Biennial Conference (May 20-22, 2010)
Jointly sponsored by USF College of Medicine, Centers for Disease Control, Cancer Research and Prevention Foundation of America, National Cancer Institute, Clearwater Beach, FL

Goal: The overall goal of this national meeting is to examine best practices and methodologies for impacting health disparities in consideration of culture and literacy. Sub-theme of survivorship.

Role: Member, Local Planning Committee

Cancer, Culture and Literacy: Sixth Biennial Conference (May 15-17, 2008)
(n=280)

Jointly sponsored by USF College of Medicine, Centers for Disease Control, Cancer Research and Prevention Foundation of America, National Cancer Institute, Clearwater Beach, FL

Goal: The overall goal of this national meeting is to examine best practices and methodologies for impacting health disparities in consideration of culture and literacy.

Role: Member, Local Planning Committee, Served on planning and advisory committee. Coordinated Breakfast Roundtables and Organized Conference Session: **Developing Cancer Survivorship Programs that Address Latino Health Disparities.**

Cancer, Culture and Literacy: Fifth Biennial Conference (May 18-20, 2006)
(n=270)

Jointly sponsored by USF College of Medicine, Centers for Disease Control, Cancer Research and Prevention Foundation of America, National Cancer Institute, and Pfizer Health Literacy Initiative. Clearwater Beach, FL

Goal: To promote culturally, linguistically and literacy relevant cancer communications for across the continuum of cancer care to reduce health disparities.

Role: Member, Local Planning Committee, Served on planning and advisory committee. Coordinated Breakfast Roundtables and Organized Conference Session: **Meeting the Needs of Cancer Survivors: From the Ground Up.**

Cancer, Culture and Literacy: Fourth Biennial Conference (May 20-22, 2004)
(n=270)

Jointly sponsored by USF College of Medicine, Centers for Disease Control, Cancer Research and Prevention Foundation of America, National Cancer Institute, and Pfizer Health Literacy Initiative. Clearwater Beach, FL

Goal: To promote culturally, linguistically and literacy relevant cancer communications across the continuum of cancer care to reduce health disparities.

Role: Member, Local Planning Committee, Served on planning and advisory committee. Coordinated Breakfast Roundtables and Organized Conference Session: **Survivorship and the Role of Advocacy in Cancer Control Research.**

Cancer, Culture and Literacy: Third Biennial Conference (May 16-18, 2002)
(n=220)

Jointly sponsored by USF College of Medicine, Centers for Disease Control, Cancer Research Foundation of America, USF College of Public Health and Pfizer Health Literacy Initiative. Clearwater Beach, FL

Goal: To develop effective communication strategies for reducing health disparities.

Role: Member, Local Planning Committee, Served on planning and advisory committee. Coordinated Breakfast Roundtables.

2005-present Campamento Alegria

Fifth Campamento Alegria (April 4-6, 2014)
(n=65 participants)

Camp Alegria, seeks to fill an unmet need in the local Tampa Bay community, that is, provision of support, education and outreach for Hispanic cancer survivors.

Goal: The overall goal of this three day program is to offer Latinas diagnosed with cancer a positive and memorable experience through a variety of culturally and linguistically relevant educational, social and recreational activities to enhance overall well-being.

Role: Co-Director. Provide organizing leadership. Coordinate seminars and Camp

Fourth Campamento Alegria (May 25-27, 2012)
(n=70)

Camp Alegria, seeks to fill an unmet need in the local Tampa Bay community, that is, provision of support, education and outreach for Hispanic cancer survivors.

Goal: The overall goal of this three day program is to offer Latinas diagnosed with cancer a positive and memorable experience through a variety of culturally and linguistically relevant educational, social and recreational activities to enhance overall well-being.

Role: Co-Director. Provide organizing leadership. Coordinate seminars and Camp

Third Campamento Alegria (March 19-21, 2010)
(n=84)

Camp Alegria, seeks to fill an unmet need in the local Tampa Bay community, that is, provision of support, education and outreach for Hispanic cancer survivors.

Goal: The overall goal of this three day program is to offer Latinas diagnosed with cancer a positive and memorable experience through a variety of culturally and linguistically relevant educational, social and recreational activities to enhance overall well-being.

Role: Co-Director. Provide organizing leadership. Coordinate seminars and Camp

Second Campamento Alegria (April 4-6, 2008)

(n=93)

Camp Alegria, seeks to fill an unmet need in the local Tampa Bay community, that is, provision of support, education and outreach for Hispanic cancer survivors.

Goal: The overall goal of this three day program is to offer Latinas diagnosed with cancer a positive and memorable experience through a variety of culturally and linguistically relevant educational, social and recreational activities to enhance overall well-being.

Role: Director. Provide organizing leadership. Coordinate seminars and Camp Activities

First Campamento Alegria (May 5-8, 2005)

(n=56)

Camp Alegria, seeks to fill an unmet need in the local Tampa Bay community, that is, provision of support, education and outreach for Hispanic cancer survivors.

Goal: The overall goal of this three day program is to offer Latinas diagnosed with cancer a positive and memorable experience through a variety of culturally and linguistically relevant educational, social and recreational activities to enhance overall well-being.

Role: Director. Provide organizing leadership. Coordinate seminars and Camp Activities

2001 Cuba: TB, AIDS and Infectious Disease in a Time of Crisis. Latin American Studies Association Annual Conference. Washington, DC. September 6-9

1998 The Importance of an Internship Program in Applied Anthropological Training: The Experience of Five Graduate Students. Paper presentation at the Society for Applied Anthropology Annual Conference. San Juan, Puerto Rico. April 21-26

PROFESSIONAL SERVICE

Service to the University of South Florida
