EDUCATION

University of Miami, Coral Gables, FL

- Postdoctoral Research Associate (2013-2014)
Design, implement statewide and local community-based, mixed methods studies related to Florida Early Steps, pre-k and special education services, early intervention outcomes, parents' developmental monitoring and services decision-making for their children, and the comparative effectiveness of early intervention service delivery models. Supervisor: Batya Elbaum, PhD, College of Education, Department of Teaching and Learning

University of South Florida, Tampa, FL

- PhD, Public Health, Community & Family Health. Specialization: Early Childhood/Special Education. (2013)
Dissertation: "*Parent Pathways: Recognition and Responses to Developmental Delays in Young Children*"
Major Professor: Russell S. Kirby, PhD, MS, FACE, Professor and Marrell Endowed Chair, Department of Community and Family Health, College of Public Health.
- MPH, Master of Public Health. Minor: Maternal & Child Health. (2008)
Thesis/Special Project: "*Developmental Screening Resource Mapping*"
Major Professors: Peter A. Gorski, MD, MPA, Professor of Public Health, Pediatrics and Psychiatry, University of South Florida and Director of the Lawton and Rhea Chiles Center for Healthy Mothers and Babies. Martha L Coulter, DrPH Professor and Director, Harrell Center for the Study of Family Violence Department of Community and Family Health, College of Public Health.

University of Washington, Seattle, WA

- BA, Psychology. Minor: Child Development (1995)

CERTIFICATIONS

Ages and Stages Questionnaire (ASQ-3), Ages and Stages Social-Emotional Questionnaire (ASQ-SE-2) Healthy Families Assessor Certification. Shultz Institute, 2017
Certified Public Health Credential, National Board of Public Health Examiners, 2015, 2017
Infant Toddler Developmental Specialist (ITDS), Florida Department of Health, 2005, 2008
Child Development Screener/Assessor: Brigance, Battelle, Environmental Rating Scales. 2008
Ages & Stages and ASQ-SE Questionnaire Trainer, Brookes Publishing, 2008
Family Development Credential Trainer, Cornell University, 2007
Mid-Manager Credential, Florida Head Start Association, 2005

EMPLOYMENT

Assistant Professor

08/14- present

Department of Community and Family Health, College of Public Health
University of South Florida

- Lead Evaluator/PI – Florida Maternal Infant & Early Childhood Home Visiting (MIECHV) Evaluation
- Lead Evaluator/PI - Hillsborough County Infant Mental Health Uniting Grant Evaluation
- Lead Evaluator/PI – Florida Early Childhood Comprehensive Systems (ECCS) Initiative Evaluation
- PI - Safe Sleep/SUID Research Grants
- PI - Birth Defects Surveillance Program, Access to Care studies
- Chair - USF Sustainable Food Research Collaborative

Workshop Facilitator

9/13-11/13

University of South Florida College of Public Health, Center for Leadership in Public Health Practice
Tobacco Free Florida Coalition project

- Facilitate workshops with local Tobacco Free coalition members in Tampa and Orlando to build knowledge and skills in coalition building and strategic planning.

Jennifer Tess Marshall

Grants Consultant to Professional Services Division Program Director of Family Child Care Projects

11/09-12/11
10/08-11/09

Tampa Metro YMCA 110 East Oak Ave. Tampa FL 33602

- Obtained \$933,880 contract to provide services for Early Head Start Program in Family Child Care Homes
- Obtained \$124,520 contract expanding family child care technical assistance program to low-income applicants.
- Obtained over \$20,000 in grant funding in 2009 to enhance staff and client training opportunities.
- Monitored outcomes, implement program improvements to ensure grant requirements were met or exceeded.
- Managed two budgets totaling \$368,731 per year.
- Supervised and mentored program staff, interns, volunteers, and workforce alliance placements to provide training and technical assistance to Family Child Care Home providers.
- Develop community partnership and participation on local councils to ensure coordination of services.

General Manager, Family and Disability Services Supervisor

01/06-08/08

Hillsborough County Head Start/Early Head Start 3639 West Waters Ave Ste 500 Tampa, FL 33614

- Conducted oversight of enrollment, recruitment, family services, and parent involvement activities in early care and education program for low-income children birth-5 years and their families.
- Hired, trained, and supervised Education Managers, Teachers, Interns, and Social Workers.
- Monitored recruitment, identification, and services for children with special needs.
- Participated in strategic planning, outcomes evaluation, community assessment, budgeting.
- Created interagency agreements, community partnerships, and facilitated Advisory Committee.
- Ensured compliance with federal grants and National and local standards.

Early Intervention Service Coordinator, Volunteer Supervisor

08/02-10/05

University of South Florida Division of Child Development 13330 Bruce B Downs Blvd Tampa, FL 33612

- Provided case management, care coordination, and parent training as part of a multidisciplinary team for children Birth to 3 years with developmental, behavioral, and medical issues.
- Conducted developmental assessment and medical, psychosocial, developmental status.
- Provided training and orientation for enrolled and new Part C intervention providers and to Service Coordinators at statewide and regional meetings.
- Participated in community events, developmental screenings and parent support groups
- Initiated internal changes to increase communication, goal setting and teamwork among staff.
- Created, developed, and supervised volunteer program for psychology and social work students.

Teaching Supervisor

08/00-07/02

United Cerebral Palsy of Colorado, Creative Options Early Head Start 2200 South Jasmine Denver, CO 80222

- Assisted in startup of program serving 48 primarily Spanish speaking families in therapeutic inclusive setting, to include: program planning, classroom design and materials, curriculum development, hiring of new staff.
- Responsible for oversight of USDA food program; developmental observation and assessment, compliance with child care licensing and grant requirements.
- Supervised and trained classroom teachers, parent-child interaction group facilitators, teen parent class facilitators, and home visitors.
- Conducted training: Health & Safety, Guiding Behavior, Attachment and the Primary Teacher Relationship, The IFSP Process, Orientation, Developmentally Appropriate and Child-Centered Curriculum, Observation, Documentation, Home Visiting and the Ages & Stages Questionnaire.
- Planned and Conducted field trips, home visits, and family socialization events. Created bilingual forms, flyers, and newsletters.

Pediatric Mental Health Specialist in Education

5/99 -7/00

Seattle Children's Hospital 4800 Sand Point Way NE Seattle, WA 98105

- Taught children ages 3-17 enrolled in outpatient and inpatient pediatric inpatient psychiatric diagnostic classroom.
- Provided behavior management, milieu therapy and group therapy, implementation of treatment plans, psychobehavioral assessment and scholastic testing.
- Participated in rounds, discharge planning meetings, and program planning

Jennifer Tess Marshall

RESEARCH

Assistant Professor (2014-Present). University of South Florida, College of Public Health, Department of Community & Family Health.

- Principal Investigator (Year 2-Forward) on the *Florida Maternal, Infant, and Early Childhood Home Visiting (MIECHV) Program Evaluation*, a multi-component mixed-methods evaluation to examine the impact of the federally-funded MIECHV program, including database linkages and analysis, social network analysis, qualitative research, continuous quality improvement; and cost-benefit analysis.
- Principal Investigator (2014-Present) for a local *Infant Mental Health Uniting Grant Evaluation*. System- and organizational-level evaluation to examine processes and outcomes of community-wide initiative to increase awareness, capacity, quality, and sustainability of infant mental health practices.
- Investigator *USF Birth Defects Surveillance Program*. (2014-Present). Epidemiologic and community-based mixed-methods research related to developmental disabilities, birth defects, and maternal and child health.
- Principal Investigator (2016-2021) – Florida Early Childhood Comprehensive Systems (ECCS) Initiative Evaluation. Two place-based initiatives designed to achieve collective impact in promoting child development.
- PI - Safe Sleep/SUID Research Grants. Evaluation, epidemiologic, and community-based research examining SUID rates, trends, risk factors, and interventions in Florida.

Adjunct Professor (2014), **Research Associate** (2009-2014). University of South Florida, College of Public Health, Department of Community & Family Health. Supervisor: Russell S. Kirby, PhD

- Design research projects, obtain IRB approval, and recruit, train, and supervise bilingual research team for epidemiological and community-based mixed-methods research related to developmental disabilities, birth defects, and maternal and child health:
 - Co-Investigator “*Trends in the birth prevalence and demographic correlates of ventral wall defects, NBDPN collaborative study, 1995-2005.*” Prepared and analyzed data sets from 15 state vital records and birth defect registries utilizing SAS 9.2 to investigate prevalence and correlates of ventral wall defects.
 - Principal Investigator “*Best Practices for Family-Centered Management of Birth Defects Diagnosis and Referral in Hospital Settings*” will learn from physicians, nurses, social workers, community health workers, and other staff current and recommended practices for providing information, support, and referral to services for families following the diagnosis of a birth defect in the birth hospital setting through interviews and a survey. This study addresses 12 birth defects currently monitored by the Florida Birth Defects Monitoring System: Anencephaly, Transposition of the Great Arteries, Spina bifida, cleft Lip with or w/out Cleft Palate, Cleft Palate, Gastroschisis, Hypospadias, Lower and Upper Limb Reduction, Tetralogy of Fallot, Trisomy 21 (Down syndrome), Hypoplastic Left Heart Syndrome.
 - Principal Investigator “*A Patchwork Quilt: Services and Supports for Infants and Toddlers with Down Syndrome and their Families*”, the statewide “*Family Experiences Survey*”, and “*Family-centered Management of Birth Defects Diagnosis and Referral in Hospital Settings*” examining information, services, and supports for parents of children born with Down syndrome in Florida.

Research Associate. University of South Florida, College of Behavioral & Community Sciences, Department of Child & Family Studies (2011), Parent Connector Project. Supervisors: Krista Kutash, PhD & Al Duchnowski, PhD

- Conducted focus groups with parents, teachers, principals, and administrators associated with children receiving public school services for emotional behavioral disorders to elicit perspectives regarding the core premises on which the Parent Connectors Model is based.
- Analyzed results and produced technical report.

Principal Investigator. University of South Florida College of Education, College of Public Health (2012)

Co-Investigators: Elizabeth Doone, PhD and Michael Churton, PhD. Department of Special Education

- Designed and conducted qualitative research study in West Malaysia and Borneo, “*Parent Recognition and Responses to Developmental Delays- Malaysian Perspectives*”

Principal Investigator/Co-Chair. Hillsborough County Parenting Coalition (2010-Present) Chair: Paula Thomas

- Conducted community based participatory research project, including focus groups with parents and providers related to Parent Participation in Community Events to inform the development of a theoretical model and creation of planning tool used by local nonprofit agencies, project entitled: “*Parent Participation in Community Events*”

Jennifer Tess Marshall

Co-Investigator. University of South Florida, College of Public Health (2010-2012). PI Linda Raffaele-Mendez, PhD, USF College of Education, Department of Social & Emotional Foundations

- Conducted mixed methods research to contribute to the evaluation of community developmental screening program, An “*Evaluation of the Community Developmental Screening Program in Hillsborough County.*”

Principal Investigator. Tampa Metropolitan YMCA (2011)

- Implemented survey and telephone interviews with family child care home providers in evaluation of home based technical assistance program services. Analyzed data and reported results in “*Tampa Metropolitan YMCA Family Child Care PLUS Client Satisfaction Survey.*”

Principal Investigator. Zero to Three/Hillsborough County Head Start & Early Head Start (2011)

- Conducted interviews with family child care home providers related to process evaluation of home based Early Head Start program. Analyzed, reported, and presented results- “*Early Head Start in Family Child Care: Provider Experiences.*”

Research Assistant. Field Placement, Community & Sustainability Initiative: Communiplexity Team. University of South Florida, Florida Mental Health Institute & The Children’s Board of Hillsborough County Supervisors: Allison Pinto, PhD and Peter Gorski, MD. (2007-2011)

- Engaged in action research to apply complexity theory and methods to community sustainability, with emphasis on the early childhood community.
- Conducted a review of local community analysis reports and data sets.
- Presented and participated in community meetings, events and councils.
- 2009 Coordination of Community and Complexity Summit/Conference
- 2010 Participated in State of the Child community assessment team
- 2011 Completed GIS mapping project for Hillsborough & Sarasota Counties

Principal Investigator. University of South Florida, College of Public Health (2007-2008) Co-Investigator: Janet Hess, MPH. Project Supervisor: Martha Coulter, DrPH

- Conducted survey of 41 health, education, and social service agencies.
- Analyzed and presented results to community agencies; “*Developmental Screening Resource Mapping Project- Hillsborough County.*”
- Led community stakeholder meetings.

Research Assistant. Jefferson County Court System Denver, CO (2001-2002). PI: Marc Karver, PhD. University of Denver, Department of Psychology.

- Conducted a literature review on the impact of divorce on children and the effectiveness of psycho educational and mental health interventions. Established recommendations to refine a program being conducted with divorced families by the Jefferson County Court System.
- Presented preliminary findings at Colorado Judicial Conference, 2001 Breckenridge, CO

HONORS & AWARDS

Faculty International Travel Grant, Office of Research and Innovation, University of South Florida (2016)	\$2,500
Community Scholars Fellowship (Faculty Advisor), Office of Community Engagement and Partnerships, University of South Florida (2014)	\$2,250
Maternal and Child Health Epidemiology Trainee, University of South Florida (2012-2013)	\$12,000
Research Travel Award, COPH Community & Family Health, University of South Florida (2012)	\$500
Student Research Award, COPH Community & Family Health, University of South Florida (2012)	\$1,000
Student Research Scholarship, College of Public Health, University of South Florida (2012)	\$1,000
Maternal & Child Health Senior Fellow, American Public Health Association (2012-2013)	\$365
Sam Bell Endowed Scholarship, University of South Florida (2012)	\$1,000
Student Honorary Award for Research and Practice, (SHARP), University of South Florida (2012)	\$850
Maternal & Child Health Leadership Trainee, University of South Florida (2011-2012)	\$12,000
Maternal & Child Health Student Fellow, American Public Health Association (2011-2012)	\$410
Student Honorary Award for Research and Practice (SHARP), University of South Florida (2011)	\$750

Jennifer Tess Marshall

GRANTS AND CONTRACTS

Currently Funded

Florida MIECHV Safe Sleep Intervention Study: Baby Box Evaluation (2017)
Total Budget: \$35,000 Grantee: Health Resources and Services Administration, Florida Association for Healthy Start Coalitions Subcontract
Principal Investigator (0.05 FTE)

Perspectives on Side-effects of Hormonal Contraceptives (5/1/17-9/30/18)
Total Budget: \$100,000. Grantee: Bill & Melinda Gates Foundation Grand Challenges Explorations
Investigator (0.02 FTE)

Development and Pilot Testing of a Child Health and Safety Training Module for Parents with Mild to Moderate Intellectual Disabilities. (2017-2018).
Total Budget: \$10,000 Grantee: USF Research & Innovation Scholarship Grant
Co-Investigator

Florida Early Childhood Comprehensive Systems (ECCS) Initiative Evaluation (8/1/16-7/31/21)
Total Budget: \$240,000 Grantee: Health Resources and Services Administration, Florida Association for Healthy Start Coalitions Subcontract
Principal Investigator (0.05 FTE)

Surveillance, Intervention, and Referral to Services Activities for Infants with Microcephaly or Other Adverse Outcomes Linked with the Zika Virus. (Grantee: CDC National Center on Birth Defects and Developmental Disabilities, Florida Department of Health FBDR). (2016-2021)
Total Budget: \$274,921/year. Principal Investigator for Access to Services Community-based Research.
Investigator (0.10 FTE)

Enhanced Birth Defects Surveillance Methods for Florida Birth Defects Registry (2/01/16- 1/31/20)
Total Budget:\$249,000/year (Grantee: CDC, Florida Department of Health FBDR)
Develop and evaluate methods for enhancing the efficiency and effectiveness of the Florida Birth Defects Registry. Principal Investigator for Aim 3 studies: Use of Surveillance Data for Improving Access to Health Services and Early Intervention.
Investigator (0.10 FTE)

Florida Maternal, Infant, and Early Childhood Home Visiting (MIECHV) Evaluation (2014-2018)
Total Budget: \$800,000 Grantee: Health Resources and Services Administration, Florida Association for Healthy Start Coalitions Subcontract
Principal Investigator (0.40 FTE)

Florida Maternal, Infant, and Early Childhood Home Visiting (MIECHV) Competitive Grant Evaluation (2015-2017)
Total Budget: \$385,043 Grantee: Health Resources and Services Administration, Florida Association for Healthy Start Coalitions Subcontract
Principal Investigator (0.20 FTE)

Hillsborough County Infant Mental Health Uniting Grant Evaluation (2014-2017)
Total Budget: \$27,500 Grantee: Early Childhood Council of Hillsborough County
Principal Investigator (0.05 FTE)

Safe Baby Program Evaluation (5/1/16-3/30/17)
Total Budget: \$12,000 Grantee: Hillsborough County Healthy Start Coalition
Develop evaluation tool to evaluate infant mortality prevention education program.
Principal Investigator (0.01 FTE)

Completed (funded)

Florida Safe Sleep Evaluation (5/1/16-9/30/16)
Total Budget: \$58,000 Grantee: Florida Department of Health
Examine trends and disparities in sleep-related SUIDs by county. Review and inventory best practices for safe sleep interventions. Develop recommendations.
Principal Investigator (0.05 FTE)

Hernando County Infant Mortality Review Consultation (4/1/16-6/30/16)
Grantee: Hernando County Department of Health
Provide consultation for interpretation of infant mortality trends and disparities. Design and facilitate community stakeholder presentation to communicate results and workshop to develop recommendations.
Co-Principal Investigator (Honorarium)

Jennifer Tess Marshall

<p><i>Doctoral Student Feedback Consultation (5/1/16-6/30/16)</i> Funder: University of Miami Department of Teaching & Learning Conduct focus groups with doctoral students to obtain feedback on the program – advising, coursework, internships. Develop report for department chair and faculty.</p>	Principal Investigator (Honorarium)
<p><i>Enhanced Birth Defects Surveillance Methods for Florida Birth Defects Registry (02/01/10-1/31/16)</i> Total Budget: \$249,000/year Grantee: CDC, Florida Department of Health FBDR Develop and evaluate methods for enhancing the efficiency and effectiveness of the Florida Birth Defects Registry. Principal Investigator for Aim 3 studies: Use of Surveillance Data for Improving Access to Health Services and Early Intervention</p>	Investigator (0.15 FTE)
<p><i>Tampa Metropolitan YMCA: Early Head Start in Family Child Care (2009-2011)</i> Total Budget: \$933,880 Grantee: Hillsborough County Head Start, Federal Head Start/Early Head Start Expansion Grant. Developed, negotiated, and obtained contract to provide delegate services for Early Head Start Program in contracted Family Child Care Homes</p>	Co-Author
<p><i>Tampa Metropolitan YMCA Family Child Care Technical Assistance Expansion (2009)</i> Total Budget: \$124,520 Grantee: Hillsborough County Health & Human Services, Federal CDBG ARRA Funds. Developed proposal and contract to expand family child care licensing technical Assistance program to low-income applicants.</p>	Co-Author
<p><i>Tampa Metropolitan YMCA Family Child Care PLUS Training Award (2009)</i> Total Budget: \$20,175 Grantee: Early Learning Coalition of Hillsborough County Developed proposal for receipt, development, and implementation of training and professional development for program staff and clients (family child care providers).</p>	Primary Author
<p><i>Introducing Florida's New Service Delivery Model, Information From the 0-3 National Training institute, and Practical Strategies for the Creation of Family-Centered Plans of Care." (2003)</i> Total Budget: \$8,605 Grantee: Children's Board of Hillsborough County, Technical Assistance Fund</p>	Primary Author
<p><u>Submitted</u> <i>Building Capacity for Support of Parents with Intellectual and Developmental Disabilities. (2017-2018, under review.)</i> Total Budget: \$150,000 Grantee: Children's Board of Hillsborough County</p>	Co-Principal Investigator
<p><i>Video Training to Enhance the Implementation of Evidence Based Strategies among Mothers and their Toddlers within the Early Steps Program. (2017-2018, under review.)</i> Total Budget: \$15,000 Grantee: USF Women's Health Collaborative (PI: Shaffer-Hudgkins, Co-I Agazzi, Kirby)</p>	Co-Investigator
<p><i>Culture and Tradition: Parents Beliefs, Knowledge, and Adherence to Recommended Infant Safe Sleep Practices. (2017-2019, not funded.)</i> Total Budget: \$150,000 Grantee: American SIDS Institute</p>	Principal Investigator
<p><i>Families Matter: using data analysis and reflective practice to understand and respond to patterns in home visiting engagement & retention. (2015-2017, not funded.)</i> Total Budget: \$53,969 Grantee: Georgia State University</p>	Principal Investigator
<p><i>Positive Development Plus: Software Applications for Universal Access to Developmental and Behavioral Supports for Parents of Young Children (2015-2018, not funded.)</i> Total Budget: \$1,061,479 Grantee: NIH/NICHHD R41</p>	Co-Principal Investigator
	Principal

Jennifer Tess Marshall

Positive Development, a Healthy Steps model for pediatric primary care: outcomes and sustainability (2015, Not funded, eligible to resubmit)

Total Budget: \$900,000 Grantee: HRSA, Maternal & Child Health Research Program R40

Investigator

The comparative effectiveness of provider-directed and parent-coaching intervention: Co-approaches for children ages 0-3 with mild to moderate developmental delays. (2014, Not funded; eligible to resubmit).

Total Budget: \$1,500,000 Grantee: Patient Centered Outcomes Research Institute

Co-Principal Investigator

TEACHING

Assistant Professor (2014-Present).

Undergraduate Instructor (2010-2012)

University of South Florida, College of Public Health, Department of Community & Family Health

Instructor: PHC 6120 Community Partnerships and Advocacy (Fall 2014, Summer 2016); PHC 6505 Program Planning Methods in Community Health (Fall 2014); PHC6410 Social and Behavioral Sciences Applied to Health (Summer, 2014, Spring 2015); HSC4579 Foundations of Maternal and Child Health (Summer, Fall 2010, Spring 2011).

Supervisor: HSC4579 Foundations of Maternal and Child Health, Online Courses (Fall/Spring/Summer semesters 2015-Present)

Teaching Assistant: PHC6537 Case Studies in Maternal and Child Health II (2013); PHC6197 Secondary Data Analysis for Maternal and Child Health (2013).

Guest Lectures: *Community-Engaged Program Evaluation: Strategies, Methods, & Lessons Learned*, PHC7584 Research Methods in Community Health Promotion (2015); *Cultural Competency & Family Centered Care; Child Development & Home Visiting*, PHC6530 Maternal and Child Health I (2014, 2015, 2016, 2017); *Theoretical Frameworks in Child Health Research*, PHC6197 Secondary Data Analysis for Maternal and Child Health (2012, 2014); *Developmental Screening & Surveillance*, PHC6934 Child Health & Development (2013); *School Readiness*, PHC 6530 Maternal and Child Health I (2013); *Community-Based Research*, PHC6530 Maternal and Child Health I (2012), .

University of South Florida School of Aging Studies

Guest Lecture: *Community-Engaged Program Evaluation: Strategies, Methods, & Lessons Learned* GEY 4475 Program Evaluation Course (2017)

University of South Florida Department of Communication Sciences and Disorders

Guest Lecture: *Community-based Research in Early Childhood Systems of Care*. Research in Community Settings Course (2016, 2017)

University of South Florida, Honors College.

Guest Lecture: *Food systems: public health issues & perspectives* IDH3350 The Global Challenge of Sustainable Urban Development, USF Honors College (2015, 2017).

University of South Florida, Department of Psychiatry.

Guest Lecture: *School Readiness: A Public Health Perspective.* (2013, 2015)

STUDENT MENTORSHIP & ADVISING

Shivani Patel, MPH Epidemiology Student: Early Childhood Comprehensive Systems Initiative Evaluation. (Field Experience Advisor, PHC 6945 Spring, 2017)

Amanda Fitzgerald, USF Honor's College, *Biomedical Sciences: An Exploration of the Processes of Sustainable Change in Kairo* (Fall 2016, Spring 2017)

Melissa Falzon, USF Honor's College: *Does Involvement in a Community Gardens change the perspective of food for Different Socioeconomic Classes?* (Fall 2016)

Ruth Sanon, MPH Global Health: *MIECHV mental health assessment of program participants, including Haitian women: psychological stressors, services offered, and barriers to services utilization in Florida.* (Special Project Advisor, PHC 6977 Spring 2016)

Shana Geary, MPH Dual Concentration Community & Family Health and Epidemiology: *Family violence and birth outcomes.* (Special Project Advisor, PHC 6977 Spring 2016)

Jennifer Tess Marshall

Paige Alitz, MPH Epidemiology: *Return on investment analysis of the Florida MIECHV Program*. (Site Supervisor, Field Placement PHC 6945 Fall 2015). *Attendance trends in Baby Bungalow [Parent Education Program]*. (Special Project Advisor, PHC 6977 Spring 2016)

Jerchelle Jean-Pois, MPH Epidemiology: *Infant Mental Health Uniting Grant Evaluation analysis of pre-post individual and organizational readiness surveys*. (Project Advisor, Independent Study, PHC 6945 Fall 2015)

Mindy Spyker, MPH Global Health: *Elucidating the linkages between women's empowerment in agriculture and child health and nutrition: A case study of smallholder livestock raisers in Tanzania*. Borlaug Graduate Research Fellows Program (Awarded Summer 2015).

Peggy Defay, MPH Global Health: *Assessing women's healthcare access needs through Florida's Maternal, Infant, and Early Childhood Home Visiting (MIECHV) Program Evaluation*. (Directed Research, Spring 2015 PHC 6907)

Leandra Olson, MPH Epidemiology: *Characteristics of adolescent mothers participating in the Florida MIECHV Program*. (Special Project Advisor, PHC 6977 Summer 2015)

Rebecca Frieders, Executive MPH: *Community benefit and health needs assessment surveys*. (Academic Advisor, Field Placement PHC 6945, Special Project PHC 6977 Spring 2015)

Joseph England, MS, Doctoral Student – Geography: *Community gardening in Tampa Bay*. USF Office of Community Engagement & Partnerships Graduate Community Scholars Fellowship Program, and Directed Research Fall 2014, Spring 2015 PHC 7910
