

Florida KidCare Community Partners
July 2015

Florida KidCare Back to School Community Partners

Back to School (BTS) Grantees are responsible for promoting the Florida KidCare program in their areas during the back to school season. This is accomplished by forming community partnerships, participating in local events, and distributing Florida KidCare materials throughout their community.

Florida KidCare Outreach Grantees

Florida KidCare Outreach Grantees are tasked with providing targeted innovative activities, ideas, and methods to facilitate the enrollment and retention of enrollees. This is accomplished by promoting the Florida KidCare program, assisting families maneuver through the Florida KidCare application process as well as recruit and train local organizations to serve assist with outreach efforts.
