Patrick Duff, MD
Associate Dean and Professor
Associate Dean for Student Affairs
University of Florida

Dr. Duff is a native of Maryland. He completed his undergraduate studies in American Government at Harvard University and subsequently earned a Master’s Degree in Public Administration from the University of Virginia and a Doctor of Medicine Degree from Georgetown University. He then pursued residency training in Obstetrics and Gynecology at Walter Reed Army Medical Center and fellowship training in Maternal-Fetal Medicine at the University of Texas—San Antonio. Following 21 years of service in the Army Medical Corps, he joined the faculty at the University of Florida in Gainesville.

Dr. Duff presently is a Professor of Obstetrics and Gynecology and served as the Residency Program Director for 22 years before stepping down from that position last summer. He also is the Associate Dean for Student Affairs. His research interests center on viral and bacterial infections in pregnancy and student and resident education.

Dr. Duff and his wife, Judy, have been married for 44 years. The couple has four children and six grandchildren.
